INTRODUCTION

THIS extensive collection which is here offered for sale was formed by Dr. Garth R. Drewry, of Tampa, Florida. It is extremely varied, and contains a good representative selection of the coinages of the Greek and Roman World.

The Roman Imperial series contains a number of notable rarities, foremost being the unique tetradrachm of Alexandria bearing the heads of Titiana, the wife of the short-lived emperor Pertinax, and their son, Pertinax Cæsar. This piece was acquired by Dr. Drewry at the sale of the T. O. Mabbott Collection in New York, as were many other rare and interesting pieces contained in this collection. Also of special note are a nice group of Aes Grave (lots 176-83), an exceptionally fine "tribute penny" of Tiberius (lot 235), a very rare denarius of Marciana (lot 286), good examples of Didius Julianus and Pescennius Niger denarii (lots 311, 313 and 314), and superb specimens of the very rare denarii of Severus Alexander and Gordian III, both as Cæsar (lots 363 and 387).

Collectors will no doubt avail themselves of this good opportunity of adding many fine and interesting pieces to their collection.

END OF SALE

COIN CATALOGUES

On the average we issue twelve or more Coin Catalogues each year, some of which are usually of sales of important collections.

CATALOGUE SUBSCRIPTIONS

PRE-SALE CATALOGUES, frequently illustrated, are normally posted to subscribers about three weeks prior to the date of Sale.

PRICED CATALOGUES (not illustrated) are issued after each Sale with the prices realised printed in the margin opposite each Lot, thus giving at a glance a reliable guide to values. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

The Priced Catalogues are posted to subscribers as soon as ready, usually about three weeks after the date of Sale.

Subscription Rates

(commencing from 1st January)

Pre-Sale Coin Catalogue	£1.00 per annum
Priced „ „	£2.00 „ „

(Reductions for new subscribers commencing after 1st April.)

All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

AIR MAIL

To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and must be borne by the subscriber. In such cases an additional £2.00 should be sent as a deposit and we will advise when this is exhausted.
